## **ALL DAY COFFEE/ BEVERAGE HOST**

**WHO:** Sponsors that want to make attendees very happy, grateful, and interested!

**WHAT:** Host coffee (soda as an available add-on) in our two meeting room corridors continuously throughout the day. Sponsoring company will have the option to brand stations (with cups, napkins, signage, etc.) as well as have a tabletop exhibit in the corridor (in addition to your booth in the exhibit hall). Price for this "sponsorship slot" is for one day, one corridor. Coffee Station / Beverage option upgrades are available.

**WHY:** The NUMBER ONE request we receive year after year from our attendee post-conference surveys is "Coffee available at all meeting times", "need more coffee hours", "need beverages other than water at all times", etc. You get the idea. We don't want to increase registration fees for attendees any more than necessary and sponsor companies always want more time and interest from attendees. We think it's the perfect match and solution!
